CIA Office Supplies is a KZN based company that supplies high quality business office furniture in Durban at affordable prices. We have a renowned family history of manufacturing office furniture since 1927, thus giving us the extensive expertise in the industry. Neelesh Rampersad is the key individual, responsible for the day to day running of the business and we have been exceptionally fortunate to have him guide us all these years.

One of the most important things to be aware of in this Artisan type industry is of course integrity, and at CIA we are always putting our best foot forward in an effort to please our customers, who have every right to expect nothing but the best for their offices. It is the mindset with which we handle every single project, and he reason that we believe this company still exists.

We manage each job from inception to completion with personalized customer service and support. CIA Office Supplies specialise in office desks, office tables, office chairs, system and storage solutions, as well as filing and stationery steel units.

Our keen knowledge of the furniture industry has helped us create an innovative, comprehensive range of attractive, comfortable and durable furniture products that meet the needs of today's clients. From small businesses just starting out, to big companies looking to expand, we have the resources to handle any and all of our customers' needs, without sacrificing on quality.

It has always been about the End-User for us at CIA. Over our many years of operation we have been fortunate enough to be able to create great office furniture for all of our clients thanks to our accommodative suppliers, who are just as meticulous as we are.
CIA Office Supplies is 135 % BEE compliant and is a level 1 contributor. This is great for us as a business, as well as for clients who wish to work with BEE compliant companies.

Thank you for taking the time to visit our website, we are exceptional proud of the work we do here, we look forward doing business with you, and really showing you what we are capable of.

Kind Regards, The CIA Team
